

# NASA's Neurodiversity Network Summer Internship

NASA's Neurodiversity Network (N3) is looking for summer interns to work on projects with NASA scientists. The goal of the N3 program is to provide experiences for neurodiverse students, specifically those who identify as autistic, that will spark their interest in careers in STEM (Science, Technology, Engineering and Mathematics).

100 hours of work between  
**June 1 to September 1, 2024**

Go to our website [n3.sonoma.edu/internship/about](https://n3.sonoma.edu/internship/about)  
for more information and to submit your application  
**due by March 8, 2024 at 11:59 pm PT**

## Details:

All interns will be paired with a Subject Matter Expert (SME) from NASA's network. The work schedule will be mutually agreed upon by the intern and the SME.

Internships will be completed remotely during Summer 2024 and N3 interns will receive a \$1,000 stipend upon completion of their internship.

## Eligibility:

Students must submit an online application and a teacher recommendation letter for full consideration. Visit our website for complete instructions.

Current high school students 16 years of age or older who identify as autistic and have completed pre-calculus and at least two years of physical science courses are eligible.

Are you an  
autistic high schooler  
interested in working with  
NASA scientists this summer?
